To: Public Agencies, Organizations, and Interested Parties

From: Goleta Water District

Subject: Notice of Public Review and Intent to Adopt a Negative Declaration Pursuant to the State of California Public Resources Code and the Guidelines for Implementation of the California Environmental Quality Act, as most recently amended, this is to advise that the Goleta Water District has prepared an Initial Study to evaluate the environmental effects of the project identified below:

Project Title: Well Injection, Project Number 17-4463

Project Location: Service territory of the Goleta Water District within City of Goleta and unincorporated portions of the Goleta Valley in Santa Barbara County, California.

Project Description: The proposed project consists of injecting treated potable water into 14 existing groundwater wells located within the Goleta Groundwater Basin. Based upon the conclusions set forth in the Initial Study, Goleta Water District proposes to adopt a Negative Declaration. The project site is not on a list of hazardous material sites as described by Government Code 65962.5 (Cortese List).

Public Review Period: A 31-day public review period will begin on November 30, 2018. Written comments must be submitted to Goleta Water District, Engineering Department (address noted below) no later than December 31, 2018. The draft Initial Study/Negative Declaration and reference documents are available for review on the District's website at:
<http://www.goletawater.com/documents>. All environmental documents are also available for review at 4699 Hollister Avenue, Goleta.

Public Hearing: The Board of Directors of the Goleta Water District will consider the proposed project and recommendation to adopt a Negative Declaration at a public hearing tentatively scheduled for 5:30 P.M. February 13, 2019 in the Board Room of Goleta Water District headquarters at 4699 Hollister Avenue, Goleta, CA.
